Equality in STEMM-Academia?

WHAT GENDER RESEARCH SAYS AND WHAT WORKS TO IMPROVE EQUALITY!

- International conference organised by Lund University and the League of European Research Universities (LERU)
- A starting point for recurring gender conferences within LERU
- Meeting platform for discussions about problems and solutions
- From policy to practice – from research to action
- Contribute with your own work and ideas
- Open to a wide audience of practitioners, researchers, students and staff

Welcome to Lund 4-5 October 2016!

Register before 31 August for early bird price at
